We're excited to offer another spectacular and informative weekend with one of our favorite judges and pointing dog trainers, William "Buck" Henderson. Buck, along with our dedicated club members, plan to help each team prepare for the next pointing dog hunt test on their calendar. Just in time for fall hunt tests, the handler's workshop will be held on the same grounds as our upcoming October 20-22 test, which offers a double/double in all stakes.

This interactive, discussion-oriented workshop is not designed to train you or your dog. It is offered to teach you the ins and outs of handling your dog in a junior, senior or master level stake. Although this is a workshop for handlers, the best way to learn is to get behind the steering wheel. Dog/handler teams will participate in a number of drills and possible scenarios to help them prepare for the unexpected. We will use both pigeons and quail to work with green-broke dogs, as well as, those ready for the master level. Blank and live gunfire will be used.

Of course, it can't all be done in a weekend, but we hope you will be inspired and continue to train with a plan to achieve all level titles with style.

We look forward to seeing you soon!
Michele McDonald

DIRECTIONS: I-20 to Wills Point. Take Exit Number 519, the Turner – Hayden Exit. Go approximately 2 miles North on 3412 to the intersection of 3406/3412. Continue an additional quarter mile. Entrance to the ranch is on the right-hand side. Use the entrance closest to the white barn.

From Southeast: Take 64 in Canton. Cross over I-20. Turn left on VZCR 3406. (If you get to HWY 80 you've gone too far.) Turn right at the 1st intersection on to VZCR 3412. Ranch is the third drive on the right.

From HWY 80 in Wills Point: Go through Wills Point heading east. Veer right at the split on to HWY 64. Turn right on VZCR 3406. Turn right at the intersection on to VZCR 3412. Ranch is the third drive on the right.
